

# MEDICATION ASSISTED TREATMENT (MAT)

Come meet with representatives of Trac-B Exchange to discuss Medication Assisted Treatment (MAT) for Opioid Use disorder. MAT is the use of FDA-approved medications, in combination with counseling and behavioral therapies, to provide a "whole-patient" approach to the treatment of substance use disorders<sup>1</sup>.

Feel free to stop in and ask questions or learn about treatment options for substance use.

Everyone is welcome to come and inquire about help for yourself, a family member, or friend.
