

Nevada Care Connection

Nevada Care Connection Resource Centers

Provide assistance to help seniors, individuals with disabilities, caregivers, veterans, and families, regardless of income or age, access long-term services and supports available in the community.

Services

Our Resource Navigators offer a wide-ranging support to help individuals identify needs, goals, and explore their options. Resource Navigators help individuals navigate the complex systems by providing services including but not limited to:

- Application assistance
- Pre-determining eligibility for public programs
- Caregiver support and connection to respite care services
- Consumer advocacy
- Resources and supports to meet long-term goals
- Case management for those who have:
 - o Dementia or have memory loss that hinders their ability to maintain services long term
 - o Hearing loss or a speech disability that hinders their ability to maintain services long term
